I called Senator Knowland at his office at the Oakland Tribune and apologized for our not having been in touch with him in the closing days of the session. I stated that if he desired CIA would like to give him a full briefing of all aspects of the Far Eastern situation as close to his departure date as possible in California. The Senator was extremely pleased and very desirous to have such a briefing and will send us word as to his firm date of departure, which is now set tentatively for 25 August. Mr. Kirkpatrick will make the necessary arrangements. It is suggested that whoever briefs the Senator be fully aware of the questions raised by
